

DETOUR QUARTET

LaDonna Cheatham / Baritone
Rachel Newell / Lead

Linda Schroeder / Bass
Kristi Lovett / Tenor

Since 2011, Detour Quartet has been singing together with a style all our own, building repertoire and entertaining audiences across the region. As our name implies, our group has a knack for diversion - and loves company along the way!

Detour's members are from Newton, McPherson, Hesston and Herington, and we meet most weeks to rehearse. Singing musical standards as well as new tunes, we bring a unique style, and a creative edge, as we share our love of music. In 2014, our first year of competing regionally, we won the SAI Region 25 Novice Quartet award with three of our members new to competition stage. Detour's home chorus is Sound of the Heartland Ensemble. Open the book on Detour's journey, and create memories with us in 2018!
